RE: *Research Committee Meeting
Wednesday, July 29, 2009, 9:00 a.m. at the
Embassy Suites, Del Monte Room, San Luis Obispo, California*

Research Chairman Danny Pereira has called a meeting of the Research Committee at the above time and place. We will be reviewing and making a recommendation to the Board on the attached proposals from the various researchers.

The UC Advisory Committee recommendations on each project will be provided to you either at the meeting, or beforehand if time allows. Additionally, John Trumble will be available by conference phone to give his perspective and recommendations on each project.

Enclosed is the meeting agenda along with all of the proposals submitted for the 2009-10 cycle. Please bring this packet with you to the meeting, and if additional proposals come in between now and the meeting, I will send them to you as well.

Hope to see you on the twenty-ninth.
